HOW TO PLACE YOUR ORDER

MAKING YOUR ORDER

Orders may be placed by telephone, fax, e-mail or post. Your ability to provide us with part numbers using this guide will allow for swifter processing of your order. If the guide does not list the part that you require, or you require technical assistance, please call. Our staff are some of the most knowledgeable in the industry, drawing on over 100 years of combined Jaguar experience.

PAYMENT

All orders are charged in local currency and payment can be made by Mastercard, Visa, Amex, bank transfer or debit card. We recommend that payments in cash are only made if you are collecting your order in person from our counter.

SHIPPING

We despatch every working day Monday to Friday (except Bank Holidays) using your choice of shipping method. Orders shipped by APC Express Service are guaranteed for delivery the next working day to most locations on the UK mainland. In practice this means that if you order spares on a Friday you will receive them the following Monday. The hours of delivery are anytime from 9am to 5.30pm, however premium services are available upon request if you need your order for example, before Noon. Please refer to our shipping tariff on the accompanying price list for further information on our full range of carriage options and Royal Mail postal services.

GOT A CLASSIC JAGUAR TOO?

FREE CATALOGUES!!!!

SNG Barratt were the first Jaguar parts specialists to realise that a dedicated parts catalogue would help our customers to help us. That's why in 2001 we introduced our 300 page Definitive Jaguar Owners Parts Catalogue which covers every model from 1949 to 1994, MK7 to XJ40 in great detail. From engine through to body fittings, with part numbers and a separate price list. Instantly it made placing an order far easier!

However, as we aren't a company content to rest on our laurels, we have begun the process of updating. Now in addition to our Definitive Jaguar Owners Parts Catalogue we can offer 5 dedicated catalogues for the XK120, XK140 & XK150, the MK2, S-Type & Daimler V8, E-Type Series 1, 2 & 3, XJ6/12 Series 1, 2 & 3 & the XJS range.

All our catalogues are FREE, simply contact our sales department telling them which one you would like and we'll be happy to oblige....

LATE MODEL JAGUAR ACCESSORIES

SNG Barratt offer a comprehensive range of enhancements and improvements for late model Jaguars. Whether you're seeking to personalise the look of your car or redefine it's roadholding, we have what you need at agreeable prices.
